Different by Design®

Luxury, Space and Design...

...offering both high performance and practicality

Caddy Maxi Executive

The Volkswagen Caddy range offer more than any other vehicle in their class. Lewis Reed has designed these vehicles to have the longest and widest floors available on the market. They are versatile and practical ensuring maximum comfort for drivers and wheelchair users of all sizes. You can now customise your Caddy Maxi to suit you by ordering a Caddy Maxi Executive.

Our specialist design team have made further improvements and conversions to these high performance cars. Quieter, smoother and more versatile than any other Caddy conversion available, Lewis Reed has built and finished these superb vehicles with only you in mind.

## Style and Design

Caddy Maxi - Longest and widest floor in its class.

Caddy Maxi - 2 wheelchair positions.

The Volkswagen Caddy Life, Caddy Maxi and Caddy Maxi Executive incorporate luxury, space and design. They combine high performance with practicality, are compact, spacious and easy to drive. The Caddy Maxi offers the longest lowered floor in its class allowing practically any wheelchair to sit comfortably in the vehicle with others as well as enjoying an excellent seating position. This extra floor length enables a seating combination of up to 5 passengers and 2 wheelchair users. By choosing a Caddy Maxi Executive you can fully customise your car to have all the options you require right down to full leather seats in any colour of your choice!

## Flexible Seating

Original VW seating is used as standard in all Lewis Reed Vehicles. The unique Flexi-seat® system design enables the driver and two passengers to travel with up to two wheelchair users, or using a bench seat, carry three backseat passengers as well as one wheelchair user. Providing you with a total of 6 seats.

Without Flexi-seat

With Flexi-seat

## Enhanced Comfort

Caddy Maxi

Caddy Life

Colour coded bumpers, door handles and door mirrors

These beautifully crafted vehicles are eye catching at all times. The standard interior is not only stylish, but offers free climate control and electric front windows. By choosing the Caddy Maxi Executive why not personalise your vehicle to suit you? - Leather trim in any colour, matching leather multi function steering wheel, privacy glass and alloy wheels. These are just a few optional extras for you to customise your vehicle and heighten your comfort. The exterior offers free metallic or pearl paint, colour coded bumpers, door handles and door mirrors.

## Easy Access

Externally these cars have large rear tailgates and two wide side sliding doors for easy all round access and assistance.

Our cleverly designed integral TorSpring® Ramp mechanism makes entering from the rear a simple and easy task. It is lightweight, durable and simple to use whilst still allowing the vehicle to retain its stylish good looks. For total luxury why not opt for our fully automated rear entry system. Just press a button and the tailgate and ramp automatically deploy. Simple.

Ultra Shallow Gradient TorSpring® Ramp

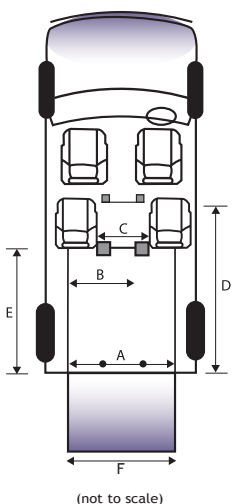

2 wide sliding doors
